Outcome of Value Added Course on Stock Market

With the Value-Added Course on Stock Market, students shall acquire full-fledged and in-depth knowledge on capital market trading operations-the functioning of stock exchanges, trading methods, and the regulatory framework set by SEBI. The course shall make the students well-versed in opening and operating DEMAT accounts. On completion of the course, the students will be introduced to analytical tools – technical and fundamental- necessary to invest wisely. Live trading sessions will give the students practical exposure to the workings of the NSE and BSE platforms. The over-arching aim of this course is to sustain the analytical minds of students while preparing them to participate well in financial market
