

NEP English (Undergraduate)

The National Education Policy (NEP) 2020 promotes a multidisciplinary approach with flexible course choices.

NEP English Literature:

- Core papers on British, American, Indian, and World Literatures.
- Skill Enhancement Courses (SEC) like creative writing, translation, and soft skills.
- Ability Enhancement Courses (AEC) to strengthen communication and environmental awareness.
- Discipline Specific Electives (DSE) allowing students to explore specialized literary topics.
- Internships/Research Projects for practical exposure.
- Emphasis on critical thinking, research skills, and employability.

NEP English Language:

- Multilingualism is promoted; English is taught as a language enhancement course.
- Focus on functional English, including:
- Grammar, writing skills, and spoken English.
- Communication Skills for academic and professional use.
- Value-added modules like presentation skills, digital literacy, and public speaking.

Goal: To make students competent communicators in English across disciplines.
