

## **Facilities in the department**

### **1. Departmental Library:**

- The English Department has its own departmental library.
- It houses many valuable and important books.
- The collection includes texts on literature, language, culture, and criticism.

### **2. Student Access:**

- Students are allowed to read books within the department.
- They can also borrow books for a specific period as per the rules.
- The library provides a quiet and resourceful space for study and research.

### **3. Digital Facilities:**

- The department has two Laptops with internet connection.
- There is a Smart TV that is used for Power Point Presentation and displaying video contents.
- Students can use it for browsing academic materials, preparing assignments, and conducting research.
- This facility helps to promote digital literacy and supports students' academic development.
